Re: Philadelphia Federal Credit Union
Case 4-RD-2034

Dear Ms. McCafferty:

The above-captioned case petitioning for an investigation and certification of representative under Section 9(c) of the National Labor Relations Act, as amended, has been carefully investigated and considered.

The petition in this matter was filed by Kristin McCafferty, an individual, on January 3, 2005. On January 12, 2005, the undersigned Regional Director approved a Stipulated Election Agreement providing for an election to be conducted on February 16, 2005. By letter dated February 2, 2005, the Office and Professional Employees International Union, Local 32, AFL-CIO, the incumbent labor organization, disclaimed further interest in representing the employees in the bargaining unit. In view of the disclaimer, and the absence of any inconsistent conduct by the Union, I find that further proceedings in this matter are unwarranted.

Any petition filed by the Office and Professional Employees International Union, Local 32, AFL-CIO, within six months from this date will not be entertained unless good cause is shown to the contrary. Moreover, in the event this Union makes a claim for recognition upon Philadelphia Federal Credit Union within six months from this date involving the same or substantially the same unit, a motion by the petitioner herein requesting reinstatement of this petition will be entertained. *Little Rock Road Machinery Co.*, 107 NLRB 715 (1954).
